MAGDA OBALSKA

UX DESIGNER

EDUCATION

I earned my bachelor’s degree from the University of Wroclaw while studying Polish philology with editorial specialization.
I also graduated postgraduate studies – Academic Typography Course in Warsaw.

EXPERIENCE

JUNIOR UX DESIGNER | Saatchi & Saatchi IS, 06.2019 – now

- Designing e-commerce applications and participating in improvement of already existing, both on the level of a product logic as well as purely design solutions (Clients: **Unilever, P&G, Microsoft**)
- Close cooperation with a Product Owner, a 12-person development team, Project Management and Client Service
- Supporting (currently: replacing) a Product Owner in writing user stories and creating tasks for the development team
- Creating user guides and presentations about the applications for the Management Board and for the Clients
- Conducting periodic reviews of the solutions implemented by the development team: checking compliance with my mock-ups, checking operation correctness, visual corrections (including creating CSS styles), in cooperation with a QA Specialist
- Participating in designing e-commerce websites

LEADING EDITOR | Product Design Magazine, 03.2020 – now

- Setting assumptions and topics
- Editing and proofreading of articles
- Substantive support for authors and collaborators

HTML SPECIALIST | eg+, 09.2018 – 05.2019

- Implementation of global websites based on the CMS system (Client: **Hewlett-Packard**)
- Close cooperation with the internal Project Management and the Project Management on the Client’s side

JUNIOR FRONT-END DEVELOPER | Compania, 09.2017 – 07.2018

- Websites implementation (Clients: Central Sport Center, WARS)

JUNIOR FRONT-END DEVELOPER | MDB, 03.2017 – 08.2017

- Implementation of a set of components for building RWD websites and applications, based on the Bootstrap framework
